Taken with a Grain of Salt

If you live in Michigan, then you are very familiar with plow trucks spreading salt on roads to melt the ice. But how does this process work?

If you ever watch salt melting ice, you can see the dissolving process happen. The ice immediately around the grain of salt melts, then the melting process spreads out from that point. As you know, ice forms when the temperature of water goes below 32 degrees Fahrenheit (0 degrees Celsius). Salt has the ability to lower the freezing/melting point of water. What this means is that water will need to be colder than 32°F to turn liquid into ice and that ice can melt even when the temperature is below 32°F.

For example, when you add salt to ice, that freezing/melting point drops: A 10-percent salt solution freezes at 20° F (-6° C), and a 20-percent solution freezes at 2° F (-16° C). On a roadway, this means that if you spread salt on the ice, you can melt it even when the temperature is below 32° F. The salt dissolves into the liquid water in the ice and lowers its freezing point. There is one catch though, if the temperature of the roadway is lower than 15° F or so, salt cannot get into the structure of the solid ice to start the dissolving process, making the salt ineffective.

When you are making ice cream at home, the temperature around the ice cream mixture needs to be lower than 32° F if you want the mixture to freeze. Salt mixed with ice creates a brine that has a temperature lower than 32° F, that freezes the ice cream mixture you are making.

Under most conditions, the use of salt on county roadways can be an effective tool for winter maintenance operations. Unfortunately there is a cost associated with salt. Since 2004, the cost of salt has risen from \$25.59/ton to \$66.63/ton. With an average yearly use of 27,000 tons, that equates to a \$1,108,080 increase over the 12 year period.

There is some good news, however. Salt bids for the 2017 season have come in at \$49.27/ton, which could provide \$468,720 of potential savings.

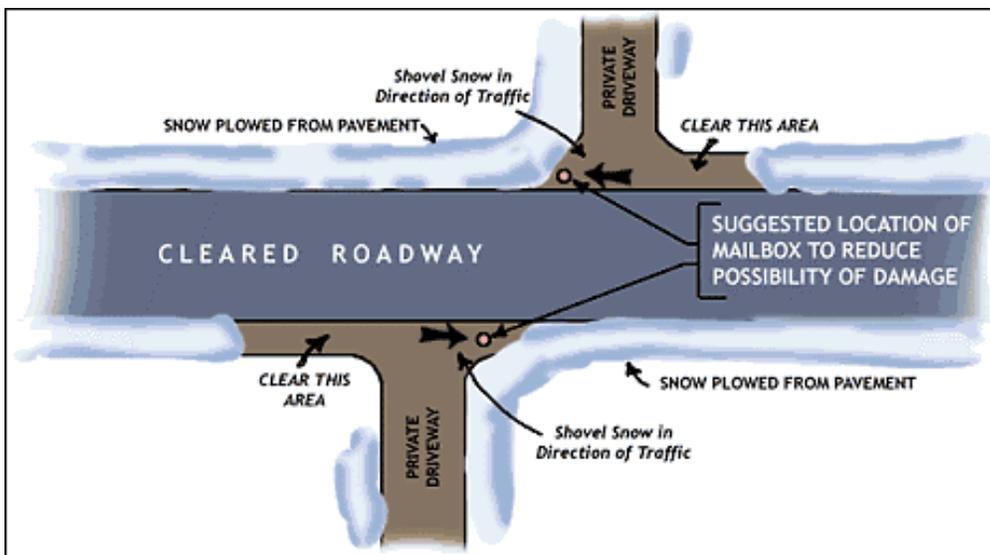

Shake Your Mailbox

The County Road Association of Michigan, in conjunction with local road agencies and the U.S. Postal Service, encourages you to check your mailbox. Fall weather is conducive to shaking it out to see what repairs are needed. Doing it now will save many headaches, when compared with waiting until winter.

A simple check:

If you can physically shake your mailbox and it "gives", even just a little, it will give out when the snow and ice removal operations commence.

In addition to making sure your mailbox is strong enough to survive winter, clearing snow to the right (the approach side) of your driveway will help reduce the amount of snow deposited in your drive and pushed against the mailbox post during winter maintenance operations.

Did you know:

Flying snow makes it look like the snow plow trucks are traveling much faster than they are, but their speed of travel ranges from 15-35 mph.

Even at these speeds, the force of the snow being pushed off the road can damage mailboxes and other roadside objects.

Sidock Joins Engineering Team

The Road Commission is pleased to announce the addition of Valerie Sidock as a Project Engineer in the Engineering Department.

Valerie graduated from Michigan Technological University with a Bachelor of Science degree in Civil Engineering and brings to the Road Commission experience in civil and utility design, soil mechanics, and water resources.

Valerie enjoys outside activities including boating, hiking, camping, and tennis. She also loves to travel and experience new adventures.

Please welcome Valerie to the Engineering Team.

Deer in the Headlights

Hunting season is a particularly dangerous time of year for potential deer-vehicle collisions. The Road Commission encourages drivers to slow down and watch the road carefully. Scan the side of the road for wildlife, and use high-beam headlights at night when there is no oncoming traffic. Also, be aware that deer tend to travel in groups. So, if you see one deer, slow down and watch for more.

The responsibility for picking up and disposing of dead animals has been a long-running debate. Surprisingly, there is no statutory requirement for any agency in Michigan to perform this service. Animal control authorities and the Michigan Department of Natural Resources (MDNR) have both stated they have no authority on the issue. Citizens usually call the local road agency to pick up the dead animals. While most road agencies will not dispose of the dead animals, they will move the carcasses off the traveled portion of the road that pose a hazard to motorists.

Over the years, the Road Commission has picked up and disposed of dead animals as a courtesy service for the public.

However, costs and budget constraints have limited this service to just one day a week, and only dead deer or other large animals will be picked up. State regulations regarding the disposal of dead animals can be very confusing. The Road Commission brings dead animals to a local landfill for disposal. The costs to pick up and dispose of dead deer have ranged from \$7,500 to \$15,000 per year.

Safe Roads for Everyone

Winter driving: Are you prepared? As the weather changes from fall to winter, the chances of being involved in a vehicular crash increase dramatically.

Winter driving can be hazardous. Factors such as rain, snow, ice, sleet, fog, and limited daylight hours present real challenges to motorists, whether driving for work or leisure. In fact, when it comes to winter, the number of casualty crashes almost doubles when motorists are driving too fast for the road conditions.

Remember - Know-before-you-go. Check road conditions beforehand and ask yourself; "Do I really need to drive during inclement winter weather?"

If you must drive, then drive smart. Prepare yourself. Prepare your vehicle. Always drive for the winter conditions. Remember that the posted speed limit is set for ideal driving conditions. When determining your speed, you should ask yourself, "Can I recognize and respond to road hazards such as black ice, snow, rain, low light, and fog?"

More driving tips and information can be found on the Michigan State Police website at www.michigan.gov/msp.

**Minutes of the regular meeting of the Georgetown Township Planning Commission, held
Wednesday, November 2, 2016**

Meeting called to order by Chairman Honderd at 7:30 p.m.

Present: Greg Honderd, Richard VanderKlok, Don Hebler, Donna Ferguson, Jeannine Bolhouse,
Steve Hall

Absent: Tim Smit

Also present: Mannette Minier, Zoning Administrator

#161102-01 – Agenda for November 2, 2016

Moved by Richard VanderKlok, seconded by Steve Hall, to approve the agenda as submitted.

MOTION CARRIED UNANIMOUSLY.

#161102-02 – Minutes of the regular October 5, 2016 meeting

Moved by Richard VanderKlok, seconded by Donna Ferguson, to approve the minutes as presented.

MOTION CARRIED UNANIMOUSLY.

#161102-03 – (PUD1603-01) Final Development Plan for phase 1 for the 44th St. /8th Ave. PUD, for a gas station/convenience store, retail/bank building, drive-through restaurant and three apartment buildings on a parcel of land described as P.P. # 70-14-26-200-077, located at 850 44th St., in a (PUD) Planned Unit Development district, Georgetown Township, Ottawa County, Michigan.

Don DeGroot, Exxel Engineering, represented the applicant and presented the request. He asked the Planning Commission to considering eliminating some of the northern sidewalk that extended toward the street.

The Zoning Administrator presented a [staff report](#).

Richard VanderKlok stated that he was in favor of keeping the sidewalk as shown on the plan and that the layout was acceptable.

Greg Honderd said that the sidewalk should be left as shown with the two options and the overall layout was acceptable.

Don Hebler said that the extension was too close to the street and he didn't think pedestrians should be encouraged to cross the busy street.

Steve Hall said that both options were good or the extra could be eliminated.

There was discussion on the items left for the Planning Commission's determination.

The applicant stated that the request for wall signs on all the walls including three sides of the gas station/convenience store building.

Moved by Jeannine Bolhouse, seconded by Don Hebler, to allow as part of the PUD approval three signs on three walls of the gas station/convenience store building and two signs on two walls of the rest of the buildings.

MOTION CARRIED UNANIMOUSLY.

Moved by Don Hebler, seconded by Donna Ferguson, to approve the freestanding ground-mounted sign at the corner of 44th St. and 8th Ave. as proposed in the submittal material, to be a maximum of 7 feet high at the columns and to have an area of 68 square feet.

MOTION CARRIED UNANIMOUSLY.

It was noted that the proposed sign on 44th St. was consistent with the one for Dr. Lee's dental office previously approved.

Moved by Don Hebler, seconded by Steve Hall, to approve the ground mounted freestanding sign at the northwest entrance on 44th St. as proposed with a 3 foot deviation to be located at the same distance from the centerline of 44th St. as the existing sign for the dental office and with the 8th Ave. sign to have the same 3 foot deviation from the ordinance requirement for location from the centerline of 8th Ave., and with the heights as proposed in the submittal documents.

MOTION CARRIED.

The chairman opened the floor to public comments. No one was present to make public comments on this item. The chairman closed the floor to public comments.

Moved by Richard VanderKlok, seconded by Jeannine Bolhouse, to adopt the staff report as finding of fact and to approve (PUD1603-01) Final Development Plan for phase 1 for the 44th St./8th Ave. PUD, for a gas station/convenience store, retail/bank building, drive-through restaurant and three apartment buildings on a parcel of land described as P.P. # 70-14-26-200-077, located at 850 44th St., in a (PUD) Planned Unit Development district, Georgetown Township, Ottawa County, Michigan, as shown on the following, and with the sidewalk to be placed as shown on the plans:

- a. [Sheet 1 of 3](#) dated 9/26/16 REVISED,
- b. [Sheet 2 of 3](#) dated 9/26/16 REVISED,
- c. [Sheet 3 of 3](#) dated 9/26/16 REVISED,
- d. The [narrative](#) dated 9/19/2016,
- e. The [plans](#) for [the townhomes](#) and for the [convenience store/gas](#) station,
- f. The sign details provided for the [two entry signs](#) and one at the [corner](#).

On the basis that the following are met:

- a. **Qualifying conditions in Sec. 22.2.**

- b. **The proposed PUD is compatible with surrounding uses of land, the natural environment, and the capacities of public services and facilities affected by the development.**
- c. **The proposed uses within the PUD will not possess conditions or effects that would be injurious to the public health, safety, or welfare of the community.**
- d. **The proposed project is consistent with the spirit and intent of the PUD District, as described in Section 22.1 and represents an opportunity for improved or innovative development for the community that could not be achieved through conventional zoning.**
- e. **The proposed PUD meets all the site plan requirements of Chapter 22 including Sec. 22.8, D.**

Based on the Planning Commission determination that any regulatory modification from traditional district requirements are approved through a finding that the deviation shall result in a higher quality of development than would be possible using conventional zoning standards, as shown on the plans and including the following:

- a. **Wall signs are allowed as follows: three signs on three walls of the gas station/convenience store building and two signs on two walls of the rest of the buildings.**
- b. **The freestanding ground-mounted sign at the corner of 44th St. and 8th Ave. is allowed to be constructed as proposed in the submittal documents: a maximum of 7 feet high a deviation of three feet, and is allowed to have an area of 68 square feet which exceeds the maximum of 50 square feet per side by 18 square feet required Sec. 25.6(B)(2) and to be 12 feet from the right-of-way line, a deviation of 3 feet from Sec. 25.6(B)(2) which requires a minimum of 15 feet.**
- c. **For the ground mounted freestanding entrance signs: at the northwest entrance on 44th St. as proposed with a 3 foot deviation to be located at the same distance from the centerline of 44th St. as the existing sign for the dental office and with the 8th Ave. sign to have the same 3 foot deviation from the ordinance requirement for location from the centerline of 8th Ave., and with the heights as proposed in the submittal documents.**

And with the following conditions:

1. **A recorded PUD agreement (according to Sec. 22.11) is submitted prior to the submission of a building permit application for this phase.**
2. **Approval from the Ottawa County Water Resources Commission is required.**
3. **As per Sec. 22.2(B), the site must be serviced by public water and sanitary sewer, which is to be coordinated with the Department of Public Works.**
4. **All outstanding fees are paid prior to any building permits being issued.**
5. **Sign permits are required for all sign installation.**
6. **Each individual unit of a two-or multiple family dwelling unit shall be provided with an attached enclosed garage with a minimum of 200 square feet.**
7. **The architectural design and all structures and elements of future phases shall coordinate with the elevations provided and approved.**
8. **The light poles shall have a maximum height of 25.**
9. **All development and construction shall be compliant with the Fire Codes.**
10. **The following must be submitted to the Township prior to the time a building permit application is submitted to the Township.**
 - a. **Proposed deed restrictions, covenants, or similar legal instruments to be used within the PUD.**
 - b. **A Storm Water Drain Permit from the Water Resources Commission's Office.**
 - c. **PUD agreement as per Sec. 22.11.**

- d. **Either the deed restrictions or the PUD agreement shall contain language related to the maintenance of the open space and the landscaping.**

MOTION CARRIED UNANIMOUSLY.

#161102-04 – (ST1617) Fillmore Woods Site Condo Development, P.P. # 70-14-06-100-010, located at 4590 Fillmore. The request is for site plan approval for a site condo development for ten lots in the Agriculture district. Septic systems and private water wells are proposed.

Rick Pulaski, Nederveld, represented the applicant and presented the request.

The Zoning Administrator presented a [staff report](#).

Greg Honderd noted that private streets can have problems associated with snow removal and maintenance.

It was noted that the sidewalks and pedestrian pathway on Fillmore were required by the Township Board.

The chairman opened the floor to public comments. No one was present to make public comments on this item. The chairman closed the floor to public comments.

Moved by Richard VanderKlok, seconded by Steve Hall, to adopt the staff report as finding of fact and to approve the site plan (ST1617) Fillmore Woods Site Condo Development, P.P. # 70-14-06-100-010, located at 4590 Fillmore for a site condo development for ten lots in the Agriculture district, as shown on the site plan dated drawn Checked 10/03/2016, based on the findings that if the conditions of approval as attached are satisfied, the applicable standards of the ordinance will be met,

And based on the following conditions of approval:

- a. **Building envelopes. All lots meet minimum lot width and area requirements. The building envelopes appear to meet setback requirements, but will be reviewed for exactness at the time a building permit application is submitted for each lot and each structure is required to meet ordinance standards. The minimum setback for lots 1 and 10 is 100 feet from the centerline of Fillmore.**
- b. **Sidewalks and path. The developer shall install the 8 foot wide path, as per Township specifications, along Fillmore prior to the submission of the first building permit application and sidewalks shall be installed as per the Township Sidewalk Ordinance adjacent to the street as required by the Township Board.**
- c. **Streetlights. The developer and property owners shall be financially responsible for any streetlights.**
- d. **Road. An approval letter shall be obtained and submitted from the Ottawa County Road Commission prior to the submission of the first building permit application. The private street shall be installed as per Ottawa County Road Commission standards for a public street. A legal instrument shall be provided for the perpetual maintenance of the private street prior to the submission of the first building permit application.**

- e. **Storm Water Drain Permit.** Sec. 19.4(O) requires that the location and size of all surface water drainage facilities are provided. Provide a Storm Water Drain Permit (approval from the Ottawa County Water Resources Commission) prior to the submission of the first building permit application.
- f. **Lowest building envelopment.** A list of the lowest building opening for each lot shall be provided prior to the submission of the first building permit application.
- g. **Revised site plan is required showing wells and septic systems and revised building envelopes (if applicable).** Since the site will not be served by public water and sanitary sewer, provide the septic locations and well locations on each site and show the building envelope is affected (if at all) prior to the submission of the first building permit application.
- h. **Health Department.** Provide approval from the Ottawa County Health Department prior to the submission of the first building permit.
- i. **Self-created situation by the developer.** The layout of the lots, wells and drain fields are all situations self-created by the developer. This is noted in case in the future any variances are requested due to the location of any of these elements.
- j. **Garages are required.** All houses shall have a minimum 400 square foot attached garage.
- k. **Fees.** All fees, including deferred assessments, shall be paid prior to the submission of the first building permit application for construction within the site condo development.
- l. **Fees for Township attorney.** The developer shall be responsible to pay any costs associated with the Township Attorney reviewing the Master Deed prior to the submission of the first building permit application for construction within the development.
- m. **Signs.** All signs require approved permits and all signs shall meet ordinance requirements. If any signs are to be installed, a copy of the easement shall be provided to the Township and shown on a revised site plan, along with sign details and dimensions to the centerline of Fillmore. Further, a legal instrument shall be provided for the perpetual maintenance of the sign prior, to the issuance of a sign permit.
- n. **Surveys.** Surveys shall be submitted as required in the Zoning Ordinance prior to construction commencing.

MOTION CARRIED UNANIMOUSLY.

#161102-05 – (REZ1602) Ordinance 2016-05 To change from (OS) Office Service Commercial to (CS) Community Service Commercial a parcel of land described as P.P. # 70-14-22-366-001, located at 2141 Port Sheldon, Georgetown Township, Ottawa County, Michigan.

Karl Droppers, present of MVP Sports Club, represented the applicant and presented the request.

The Zoning Administrator presented a [staff report](#).

The chairman opened the public hearing. No one was present to make public comments on this topic. The chairman closed the public hearing.

Moved by Don Hebler, seconded by Donna Ferguson, to adopt the staff report as finding of facts and to recommend to the Township Board to approve the following resolution because the proposed zoning designation is **consistent** with the Master plan and the Future Land Use Map for the area; the area is **capable** of sustaining the uses within the CS district without addition public funds; the uses allowed within the CS district are **compatible** with the neighboring uses:

REQUEST

(REZ1602) Ordinance 2016-05 To change from (OS) Office Service Commercial to (CS) Community Service Commercial a parcel of land described as P.P. # 70-14-22-366-001, located at 2141 Port Sheldon, Georgetown Township, Ottawa County, Michigan.

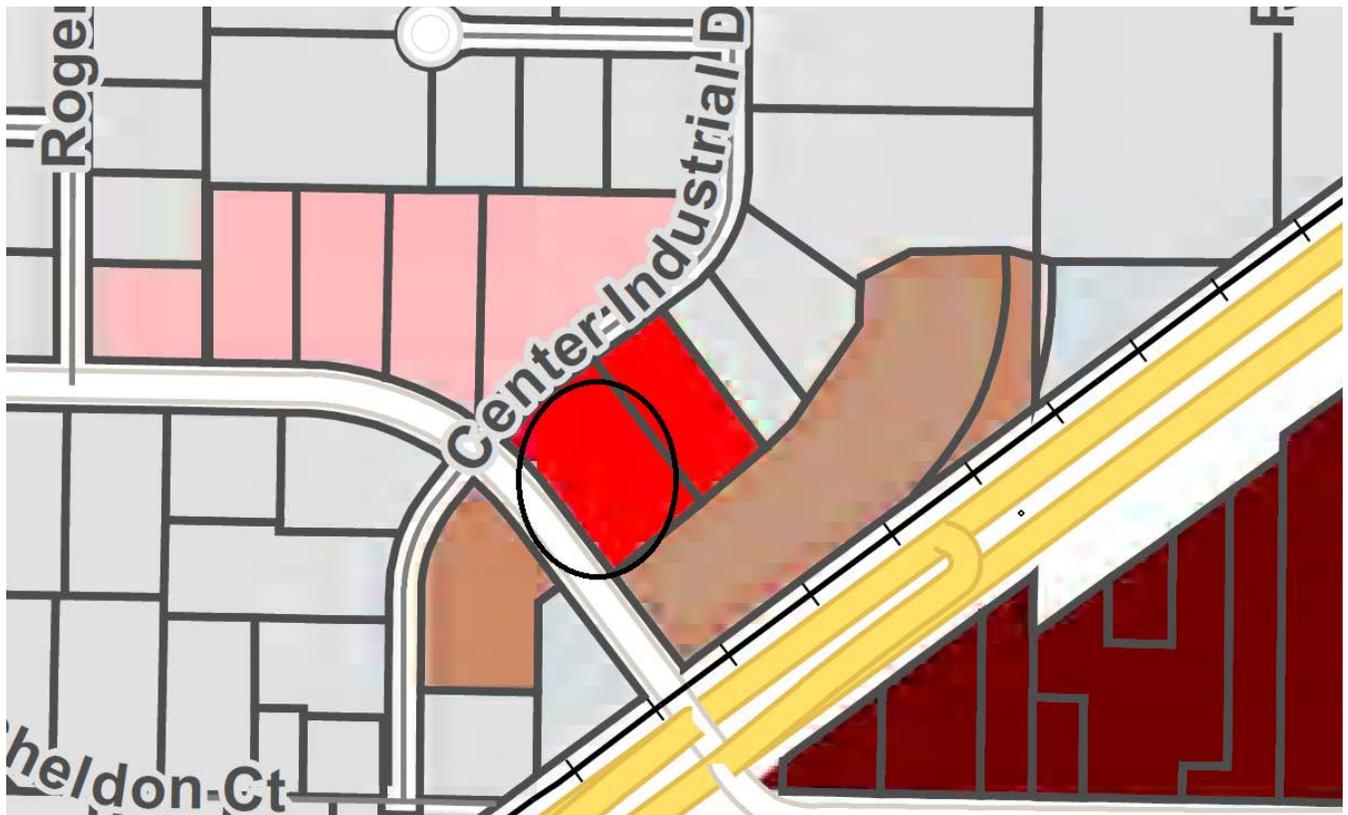

The reason for the request to rezone the 2 acre parcel from OS to CS is because the applicant would like to have uses allowed in the CS district.

REVIEW STANDARDS

Rezoning goes with the land, not the property owner or use. Therefore, once a parcel is zoned to a particular classification, the zoning is permanent unless changed by a subsequent rezoning action. Zoning cannot be conditional and a parcel cannot be rezoned for one specific use. Any use permitted within the zoning district is permitted on the property, provided the other applicable regulations of the Zoning Ordinance (lot sizes, setbacks, etc.) are met.

The following standards are used for consideration by the Planning Commission and Township Board in their review of the rezoning request.

Consistency: Is the proposed zoning and all of its permitted uses consistent with the recommendations of the Township Land Use Plan?

Yes. The request is consistent with the Future Land Use Map and with the text of the Master Plan. The Future Land Use Map designates the parcel as CS. See the map above.

Compatibility: Is the proposed district and all of its allowed uses compatible with the surrounding area?

Yes. The parcel to the east is already zoned CS. Other surrounding property is zoned NS, CS and Industrial.

Below is an excerpt of the Zoning Ordinance detailing uses allowed in the CS district.

Chapter 15 – CS – COMMUNITY SERVICE COMMERCIAL.

Sec 15.1 PURPOSE.

This District is intended to provide for the construction or continued use of land for general community-wide commercial and service uses and to provide for orderly development and concentration of such uses to satisfy the needs of the overall community. This District is meant to discourage strip or linear commercial development.

Sec. 15.2 PERMITTED USES. (section updated 3/28/16)

Land and/or buildings in this District may be used for the following purposes by right:

- (A) Any permitted use in the NS District.
- (B) Service establishments including printing, publishing, photo reproduction, blue-printing, and related trades or arts.
- (C) Vehicle service stations and wash establishments.
- (D) Commercial recreation facilities such as indoor theaters, bowling alleys, indoor skating rinks, billiard parlors or similar uses.
- (E) Building supply and equipment establishments.
- (F) Commercial Enterprises producing merchandise on the premises to be sold at retail and/or wholesale with no outdoor activities or storage.
- (G) Warehouses selling wholesale or retail on the premises, PROVIDED, there is no outside storage or stockpiling and the property does not lie within one hundred (100) feet of any Residential District.
- (H) Drive-through restaurant.

Sec. 15.3 USES REQUIRING SPECIAL LAND USE APPROVAL. (section updated 3/28/16)

The following uses may be permitted by obtaining Special Land Use Approval when all applicable standards as cited in Chapter XX are met.

- (A) Open air businesses.
- (B) Veterinary/animal hospitals, clinics, and kennels.
- (C) Amusement Parks.
- (D) Commercial soil removal.
- (E) Day Care Centers.
- (F) Commercial radio and television and wireless communication towers. (Revised November 1997)
- (G) Vehicle repair establishments when all activities are conducted within a wholly enclosed building.
- (H) Adult Foster Care Congregate Facility.
- (I) Greenhouses and plant nurseries selling retail. (added from 16.3 with SUP)
- (J) Par 3 golf course, miniature golf, driving ranges and similar outdoor recreation uses.

Capability: Is the property capable of being used for a use permitted within the existing zoning district?

Yes. The property is capable of being used for permitted uses within the OS, NS and CS districts.

Other considerations: Will the rezoning require an inordinate expenditure of public funds (road improvements, utility extension, etc.) to make the development feasible?

No. No improvements will be necessary. Public water and public sewer are available.

Will the rezoning cause development to “leap frog” other undeveloped areas in the same zoning district and necessitate premature extensions of services to rural areas of the Township?

No. The adjacent property is zoned CS and immediate area has CS, NS and Industrial zoned property.

Is there sufficient vacant land already zoned in a specific category (e.g., industrial, multi-family, commercial)?

Not necessarily because the developer has indicated a need for the CS zoning.

Is the rezoning more likely to be granted if conditions could be attached (note: rezonings cannot be conditional)?

No.

SUMMARY

The proposed zoning designation is **consistent** with the Master plan and the Future Land Use Map for the area. The area is **capable** of sustaining the uses within the CS district without addition public funds. The uses allowed within the CS district are **compatible** with the neighboring uses.

OPTION FOR MOTION

If the Planning Commission determines that the property should be rezoned to CS, the following motion could be made or if the determination is that the CS zoning designation is not warranted, the request could be recommended for denial. Or if more information is needed, the item could be tabled.

Motion: To adopt the staff report as finding of facts and to recommend to the Township Board to approve the following resolution:

**Georgetown Charter Township
Ottawa County, Michigan
(Ordinance No. 2016-05)**

At a regular meeting of the Georgetown Charter Township Board held at the Township offices on _____, 2016, beginning at 7:30 p.m., Township Board Member _____ made a motion to adopt this Ordinance, which motion was seconded by Township Board Member _____:

**AN AMENDMENT TO THE GEORGETOWN CHARTER TOWNSHIP
ZONING ORDINANCE, AS AMENDED, AND MAP**

THE CHARTER TOWNSHIP OF GEORGETOWN (the "Township") ORDAINS:

ARTICLE 1. The map of the Georgetown Charter Township Zoning Ordinance, as amended, is hereby amended to read as follows:

(REZ1602) Ordinance 2016-05 To change from (OS) Office Service Commercial to (CS) Community Service Commercial a parcel of land described as P.P. # 70-14-22-366-001, located at 2141 Port Sheldon, Georgetown Township, Ottawa County, Michigan.

Except as expressly modified by the above, the balance of the Zoning Map of the Georgetown Charter Township Zoning Ordinance, as amended, shall remain unchanged and in full force and effect.

ARTICLE 2. Severability. In the event that any one or more sections, provisions, phrases, or words of this Ordinance shall be found to be invalid by a court of competent jurisdiction, such holding shall not affect the validity or the enforceability of the remaining sections, provisions, phrases, or other words of this Ordinance.

ARTICLE 3. Except as specified above, the balance of the Georgetown Charter Township Zoning Ordinance, as amended, and map shall remain unchanged and in full force and effect.

ARTICLE 4. Effective Date. The provisions of this Ordinance shall take effect upon the expiration of seven (7) days from the date of publication of this Ordinance or a summary of its provisions in accordance with the law.

The vote in favor of adopting this Ordinance was as follows:

At a regular meeting of the Georgetown Charter Township Board held at the Township offices on _____, 2016, beginning at 7:30 p.m., Township Board Member _____ made a motion to adopt this Ordinance, which motion was seconded by Township Board Member _____:

**AN AMENDMENT TO THE GEORGETOWN CHARTER TOWNSHIP
ZONING ORDINANCE, AS AMENDED, AND MAP**

THE CHARTER TOWNSHIP OF GEORGETOWN (the "Township") ORDAINS:

ARTICLE 1. The map of the Georgetown Charter Township Zoning Ordinance, as amended, is hereby amended to read as follows:

(REZ1602) Ordinance 2016-05 To change from (OS) Office Service Commercial to (CS) Community Service Commercial a parcel of land described as P.P. # 70-14-22-366-001, located at 2141 Port Sheldon, Georgetown Township, Ottawa County, Michigan.

Except as expressly modified by the above, the balance of the Zoning Map of the Georgetown Charter Township Zoning Ordinance, as amended, shall remain unchanged and in full force and effect.

ARTICLE 2. Severability. In the event that any one or more sections, provisions, phrases, or words of this Ordinance shall be found to be invalid by a court of competent jurisdiction, such holding shall not affect the validity or the enforceability of the remaining sections, provisions, phrases, or other words of this Ordinance.

ARTICLE 3. Except as specified above, the balance of the Georgetown Charter Township Zoning Ordinance, as amended, and map shall remain unchanged and in full force and effect.

ARTICLE 4. Effective Date. The provisions of this Ordinance shall take effect upon the expiration of seven (7) days from the date of publication of this Ordinance or a summary of its provisions in accordance with the law.

The vote in favor of adopting this Ordinance was as follows:

- Yeas:
- Nays:
- Absent:

MOTION CARRIED UNANIMOUSLY AND ORDINANCE DECLARED ADOPTED.

CERTIFICATION

I hereby certify that the above is a true copy of an Ordinance adopted by Georgetown Charter Township Board at the time, date, and place specified above pursuant to the required statutory procedures.

Respectfully submitted,

Dated: _____, 2016

Updates?

There was no discussion about the following items at the last meeting. I was wondering if you could give us an update?

Sale of 200 Baldwin?

The Public Survey on 200 Baldwin?

Sale of the Kmart property // Aldi expansion? // Truckers using the land for overnight parking?

Regarding the purchase of a bucket truck – our use seems to be limited. We hung the banners without one. An alternative would be to rent one as needed. Or, hire a company for the lights and trees.
