Resolution to Permanently Divide, Rearrange or Consolidate Elections Precincts

Resolution No. EC170109-02

WHEREAS, The Township of Georgetown has determined that permanently dividing, rearranging or consolidating the Precincts as shown on the Map is appropriate:

NOW, THEREFORE, BE IT RESOLVED that the Georgetown Charter Township Election Commission hereby directs the Township Clerk to divide, rearrange and consolidate the current precinct 16 resulting in the following newly created precincts: 16 and 17 as shown on the Map titled "Precinct 16 and 17 Map."

5.1. Rationalization Used To Draw Precinct Lines

The following rational was used to draw the new precinct boundary lines:

- a. Although the Township's population had increased based on the 2010 Census, the proposed number of precincts in 2011 was reduced from 20 to 16. The reduction in the number of precincts results in a significant cost reduction per election based on less facility rental, fewer election inspectors working an election, less training, less equipment, less driving time for people delivering and picking up equipment, and less driving time for Election Day runners.
- b. Precinct lines follow the County Commission district lines that were newly drawn as a result of the 2010 Census. Each precinct has only one County Commissioner which results in less confusion for election inspectors and voters when distributing ballots.
- c. Precinct lines follow the school district lines. With the proposed map, only two precincts initially had two school districts (Precinct 8 and 16) and the rest have only one school district. Eliminating precincts with multiple school districts eliminates confusion for election inspectors and voters when distributing ballots.
- d. Although it is not possible to equally balance the number of registered voters per precinct due to drawing the precinct lines relative to the County

Commission line and the school district lines, the number of registered voters was balanced the best way possible and does not exceed the maximum number of registered voters allowed per precinct (2,999 as per Election Law). The numbers were balanced as closely as possible taking into consideration the County Commission lines and the school district lines.

- e. However, now with the new development that has taken place in Precinct 16 and with the new development proposed for the near future (Summerset West), the number of registered voters in Precinct 16 has risen to 2,685 (coming close to the maximum of 2,999 allowed by law).
- f. Therefore, Precinct 17 was drawn to split Precinct 16 and to follow the school district line. This will eliminate the necessity of two ballot styles. Precinct 16 will be all Jenison School district and Precinct 17 will be all Grandville School district.
- g. In 2017, Ottawa County is going to get new election equipment for all precincts in all municipalities within its borders. Therefore, by approving the additional precinct at this time, the equipment can be ordered for Precinct 17 at the same time as the other precincts.

6. Resolution To Establish A Polling Location

Motion: To recommend to the Township Board to approve the following resolution to establish a polling location.

GEORGETOWN CHARTER TOWNSHIP ELECTION COMMISSION

Resolution to Establish Polling Locations

Resolution No. EC170109-03

WHEREAS, Section 661 of Michigan Election Law, Public Act 116 of 1954, MCL 168.661, provides for township boards to establishing polling locations and provides the criteria for a polling location; and

WHEREAS, The Township Board of Georgetown has determined that establishing polling locations for the precincts as follows is appropriate and that these polling locations all meet the criteria as stipulated in Michigan Election Law, MCL 168.661, as attested to by authorized agents of each facility;

NOW, THEREFORE, BE IT RESOLVED that the Georgetown Charter Township Board hereby establishes polling locations for newly created precincts: 16 and 17 as follows:

<u>Precincts</u>	<u>Polling Locations</u>
16	Jenison Bible Church, 6360 14 th Ave. Hudsonville, 49426
17	Jenison Bible Church, 6360 14 th Ave. Hudsonville, 49426

LET IT FURTHER BE RESOLVED that the Township Board directs the Township Superintendent to sign all the associated agreements and directs new Voter ID cards to be sent to registered voters in the Township as prescribed by Election Law (for all changes listed in Election Law) and approves the associated costs for all such mailings.

The foregoing resolution offered by Township Board Member _____, and second

offered by Township Board Member _____.

Upon roll call vote the following voted yes: _____

Upon roll call vote the following voted no: _____

Note: The polling location for Precinct 16 is located in Jenison Bible Church, 6360 14th Ave. Precinct 17 will be located in the same facility, just down a different hallway. So the voters in Precinct 17 will continue to go to the same facility they did when they were in precinct 16. An authorized agent of the facility has consented to sign agreements designating their facility has complied with the criteria listed in the law for a polling location.

As per Election Law, the Township Board is charged with establishing polling locations and an updated Voter Identification Card must be sent to every voter affected by a new precinct or polling location.

CREATING NEW BOUNDARIES AND NEW POLLING LOCATIONS

As per the Michigan Department of State Bureau of Elections-Election Officials' Accreditation Study Guide, dated June 2011, the following consists of the steps to create new precinct boundaries and establish new polling locations:

1. **Precinct Boundary Requirements.** Michigan law stipulates that all precincts shall:
 - a. Be composed as nearly as practical of compact and contiguous territory;
 - b. Have clearly defined and clearly observable boundaries consisting of:
 - A named road or street;
 - A road or highway that is part of the federal, state primary or state secondary road system;
 - A river, stream or drainage feature that is 40 feet or more in width;
 - A natural or constructed permanent physical feature that is shown on an official county, city or township map issued by the Department of Transportation or a United States geological survey topographical map;
 - An apartment building, a dormitory or other permanent multiple-unit housing structure;
 - As advised by the Department of Information Technology's Center for Geographic Information (CGI), a village or school district boundary line can be used to define a precinct boundary line.
2. **Precinct Size Limits and Voting Station Minimums.** Each precinct must not contain more than 2,999 registered voters. At least one voting station must be provided at the polling location for every 300 registered voters in a precinct and the number must be exceeded when and where appropriate.
3. **In a township, the approval of all precinct boundary lines (or alterations) and the establishment of precincts must be granted by resolution of the local election commission. Steps for dividing or rearranging precincts are as follows.**
 - a. The Election Commission adopts a resolution to divide or rearrange a precinct using the criteria as defined under election precincts and must record its proceedings as follows:
 1. Specified the number of precincts rearranged or divided.
 2. Describe the boundaries of each precinct.
 - b. The Clerk must notify the County Clerk immediately following the adoption of the resolution to divide or rearrange with the following information:
 1. A copy of the resolution taking action to affect the change.
 2. A copy of the new boundaries (mapped).
 3. The number of registered voters in each precinct.
 - c. The Clerk must forward to the Bureau of Elections for QVF and Street Index Updates the following (this will ensure that QVF is properly programmed to effect the change);
 1. Map showing the NEW precinct boundaries.
 2. Map showing the OLD precinct boundaries.
 3. A copy of the resolution taking action to effect the change.
 4. Index with changes from QVF.
 5. Send to:
Amanda Fedewa
Bureau of Elections
430 W. Allegan St.
1st floor Austin Building
Lansing, MI 48918

- d. Notify all registered voters of precinct changes by first class mail and QVF “in-box” processing of new voter registration card. (An updated Voter Identification Card must be issued to each voter affected by a precinct reassignment.)
- e. Post a notice of change in two public places in each precinct affected by the change showing the new boundaries and precincts (on Election Day or as soon as possible and leave up until Election Day).

Current Precinct 16 to be divided into two precincts.

Proposed lines for Precinct 17 which follows the school district line for Grandville Public Schools. A small portion by the highway right-of-way is Hudsonville School district; however, the two small parcels are vacant and owned by the Michigan Department of Transportation. So that property is shown to be included in Precinct 17.
