MEMBER NEWS

Hot off the Press!!

Summer has come to an end, and though the weather isn't much of an indicator, Fall is here.

We just completed our Riverboat Tour, and though the river did not reveal the full Fall color's as we had hoped, it was still a wonderful day with friends as we meandered the Grand with Captain Chip at the helm.

Our Christmas Open House is fast approaching on December 3rd.

If you would like to help transform our museum, we have 2 decoration days planned, Saturday, November 12 and Tuesday November 15, 9:30 until noon. Come join the fun of making the house sparkle for the Holidays!

Minutes of the Jenison Historical Association – September 15, 2016

Present: Nellie DeLaat, Liz Timmer, Mary Roper, Yvonne Williams, Ken Williams, Mike Timmer, Gene Kort, Linda Droog, Barb Semeyn, Sandy Wensink

Association/Museum Business

Approve Meeting Agenda: Mike motioned to approve as presented, seconded by Gene. Carried.

Review August Minutes: Motion to accept as written was made by Mary and Sandy. Carried.

Treasurer's Report: Yvonne and Barb motioned to accept as presented. Carried.

Maintenance Report: Mike reported that the outside painting of the house is now completed.

Curator/Historian Report: Ken reported

- The passing of Joyce Klawiter, long time member of JHA, on September 11, 2016.
- “Remembering’ the beginning of the JHA.- The founding members of the group who helped save the house and were instrumental in compiling historical information used in the “Bend in the River” and turning the house into a museum.
- Cattle Yoke was purchased by Ken and Yvonne and is now on loan to the museum.
- Special Tour by a family from Illinois. They came to the area to purchase somethings with ‘Jenison’ on it because the Dad’s first name was Jenisen. Ken did a full tour and sold several items including the ornament souvenirs. They also left a donation.
- September’s Tuesday Open House was very busy, we had about 30 visitors. Liz said again we had a small blurb in the Advance Newspaper which brings in the people.

Township Representative's Report: Ron not present

Acquisitions Report: Barb reported that several new items have been completed. A silk parasol donated by Marilyn Galer and cloth flour sifters that were found in the office area. Now have the cattle yoke also.

Cleaning & Upkeep: Yvonne reported we have started taking down some of the clothing displays. Ken has cleaned and mopped the basement. Gene has vacuumed the attic. After Saturday’s open house we will again begin more intense cleaning now with the cooler weather.

Review Master Plan/Projects: Liz asked Mike if he would get cost estimates on plexi-glass for drawer covers as well as the beveled windows.

Community Expo: This year it is set for the first Saturday in November and our booth fee has been waved. Liz asked that we have the “Then and Now” board again on display. Nellie and Liz will have a guessing game and prizes ready to go.

September Open House: Ken has the ‘Tool Time’ questions ready to go. Nellie asked for a list of workers available for Saturday.

Christmas Decorations: Barb reported on some of her research of turn of the century decorations. We then set our dates for decorating the house. They will be Saturday, November 12 and Tuesday,

November 15. Time will be 9:30/10:00 until noon.

October Boat Ride: Liz has sold 23 tickets out of the 130 available. Asked members to take some of the fliers and post in the community. Normally, ticket sales really pick up 1-2 weeks before the event.

Remembering past members: Liz presented an idea for purchasing a plaque to honor past members who have passed away. Mike was asked to research cost.

Historical Tour of Jenison: Liz offered an idea for a fund raiser. She is willing to approach the Senior Center personnel about interest in doing a guided historical tour of the area using the township buses. Discussion followed.

Purchasing duplicate items: Liz asked if we should be looking for and purchasing some items for "hands on" displays. It was suggested we make a list of what we already have duplicates of that we could use.

The Flags: have been photographed and are now stored in acid free materials and storage boxes.

Other Business

Ken shared a sample of his timeline display he has been working on. He asked for more input on suggestions for 1970 into the 2000's. What important events should we include?

Yvonne shared information on a workshop that will be coming up on Wednesday, October 26. It's presented by the Office of Local History at GVSU. Workshop and lunch will feature "Oral History". Call Yvonne if you are interested in attending.

RE: Monthly Report (September 2016)

The Sheriff's Office during the month September responded to 813 calls for service. The Paramedic Units responded to 191 medicals in Georgetown Township. Deputies made a total of 387 traffic contacts and 226 total violations were cited.

Deputies have been busy assisting at Jenison and Hudsonville Schools with lock down drills and evacuations. We have also increased patrols at off campus housing for GVSU because of the recent reports of sexual assaults.

Deputies completed alcohol and tobacco compliance checks at all businesses in Georgetown. Sunnybrook Country Club did sell alcohol to a minor during our checks. Speedway gas station also sold tobacco to a minor during our checks.

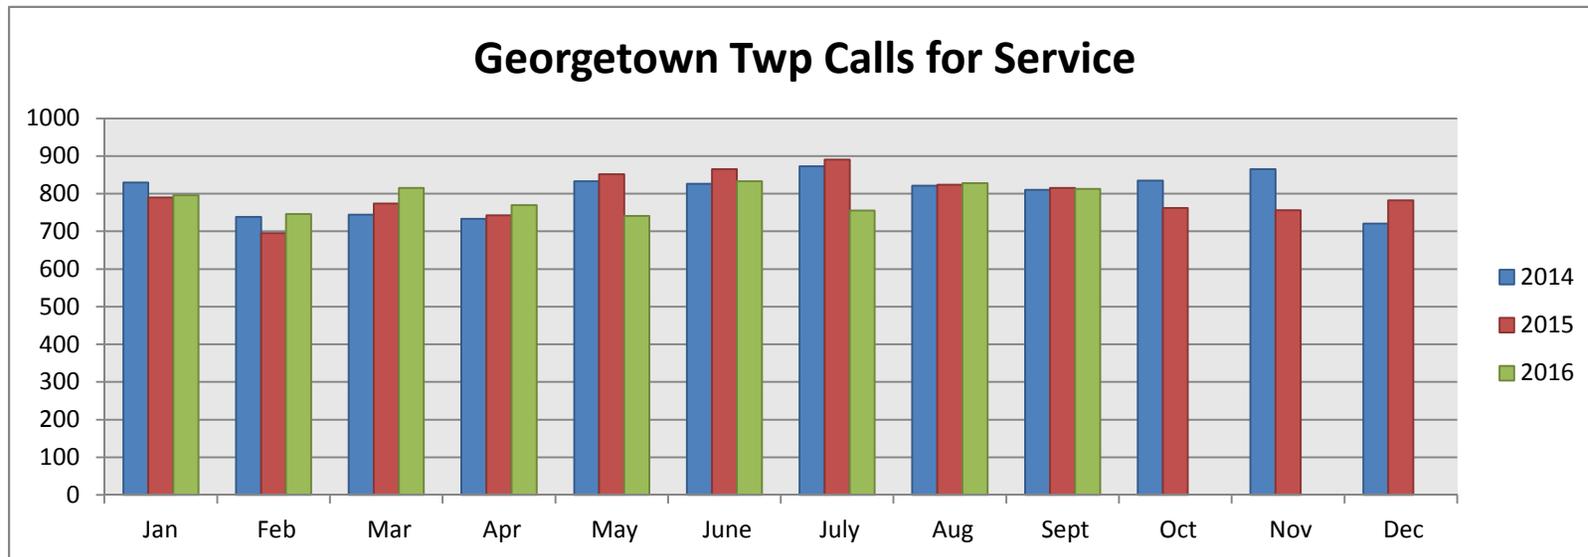

Respectfully submitted,

Sgt. Jeff Steigenga

IRREVOCABLE LETTER OF CREDIT

Borrower: ICK Properties LLC
547 Baldwin St.
Jenison, MI 49428-7902

Lender: Macatawa Bank
Jenison Branch
10753 Macatawa Drive
Holland, MI 49424

Beneficiary:

Ottawa County Road Commission
14110 Lakeshore Dr., PO Box 739
Grand Haven, MI 49417

Ottawa County Water Resources Commission
12220 Fillmore St., Room 141
West Olive, MI 49460-8986

Georgetown Township
1515 Baldwin Street
PO Box 769
Jenison, MI 49429-0769

NO.: 900

EXPIRATION DATE. This letter of credit shall expire upon the earlier of the close of business on 10-10-2017 and all drafts and accompanying statements or documents must be presented to Lender on or before that time, or the day that Lender honors a draw under which the full amount of this Letter of Credit has been drawn (the "Expiration Date").

AMOUNT OF CREDIT. Lender hereby establishes at the request and for the account of Borrower, an Irrevocable Letter of Credit in favor of Beneficiary for a sum of Ninety Two Thousand & 00/100 Dollars (\$92,000.00) (the "Letter of Credit"). These funds shall be made available to Beneficiary upon Lender's receipt from Beneficiary of sight drafts drawn on Lender at Lender's address indicated above (or other such address that Lender may provide Beneficiary in writing) during regular business hours and accompanied by the signed written statements or documents indicated below.

WARNING TO BENEFICIARY: PLEASE EXAMINE THIS LETTER OF CREDIT AT ONCE. IF YOU FEEL UNABLE TO MEET ANY OF ITS REQUIREMENTS, EITHER SINGLY OR TOGETHER, YOU SHOULD CONTACT BORROWER IMMEDIATELY TO SEE IF THE LETTER OF CREDIT CAN BE AMENDED. OTHERWISE, YOU WILL RISK LOSING PAYMENT UNDER THIS LETTER OF CREDIT FOR FAILURE TO COMPLY STRICTLY WITH ITS TERMS AS WRITTEN.

DRAFT TERMS AND CONDITIONS. Lender shall honor drafts submitted by Beneficiary under the following terms and conditions:

Each draft must include a signed statement by Beneficiary including the following statement:

"ICK Properties LLC has failed to satisfactorily complete their obligations on the final plat approval process on the project known as Highpoint View No. 2 according to county and/or township specifications."

Any Beneficiary or combination of Beneficiaries, acting individually or collectively, may draw on this Letter of Credit in full or in part, and any action taken by any or all Beneficiaries hereunder shall bind each of them.

Upon Lender's honor of such drafts, Lender shall be fully discharged of Lender's obligations under this Letter of Credit and shall not be obligated to make any further payments under this Letter of Credit once the full amount of credit available under this Letter of Credit has been drawn.

Beneficiary shall have no recourse against Lender for any amount paid under this Letter of Credit once Lender has honored any draft or other document which complies strictly with this Letter of Credit, and which on its face appears otherwise in order but which is signed, issued, or presented by a party or under the name of a party purporting to act for Beneficiary, purporting to claim through Beneficiary, or posing as Beneficiary without Beneficiary's authorization. By paying an amount demanded in accordance with this Letter of Credit, Lender makes no representation as to the correctness of the amount demanded and Lender shall not be liable to Beneficiary, or any other person, for any amount paid or disbursed for any reason whatsoever, including, without limitation, any nonapplication or misapplication by Beneficiary of the proceeds of such payment. By presenting upon Lender or a confirming bank, Beneficiary certifies that Beneficiary has not and will not present upon the other, unless and until Beneficiary meets with dishonor. Beneficiary promises to return to Lender any funds received by Beneficiary in excess of the Letter of Credit's maximum drawing amount.

USE RESTRICTIONS. All drafts must be marked "DRAWN UNDER MACATAWA BANK IRREVOCABLE LETTER OF CREDIT NO. 900 DATED 10-10-2016," and the amount of each draft shall be marked on the draft. Only Beneficiary may complete a draft and accompanying statements or documents required by this Letter of Credit and make a draw under this Letter of Credit. This original Letter of Credit must accompany any draft drawn hereunder.

Partial draws are permitted under this Letter of Credit. Lender's honor of a partial draw shall correspondingly reduce the amount of credit available under this Letter of Credit. Following a partial draw, Lender shall return this original Letter of Credit to Beneficiary with the partial draw noted hereon; in the alternative, and in its sole discretion, Lender may issue a substitute Letter of Credit to Beneficiary in the amount shown above, less any partial draw(s).

PERMITTED TRANSFEREES. The right to draw under this Letter of Credit shall be nontransferable, except for:

- A. A transfer (in its entirety, but not in part) by direct operation of law to the administrator, executor, bankruptcy trustee, receiver, liquidator, successor, or other representative at law of the original Beneficiary; and
- B. The first immediate transfer (in its entirety, but not in part) by such legal representative to a third party after express approval of a governmental body (judicial, administrative, or executive).

TRANSFEREES REQUIRED DOCUMENTS. When the presenter is a permitted transferee (i) by operation of law or (ii) a third party receiving transfer from a legal representative, as described above, the documents required for a draw shall include a certified copy of the one or more documents which show the presenter's authority to claim through or to act with authority for the original Beneficiary.

COMPLIANCE BURDEN. Lender is not responsible for any impossibility or other difficulty in achieving strict compliance with the requirements of this Letter of Credit precisely as written. Beneficiary understands and acknowledges: (i) that unless and until the present wording of this Letter of Credit is amended with Lender's prior written consent, the burden of complying strictly with such wording remains solely upon Beneficiary, and (ii) that Lender is relying upon the lack of such amendment as constituting Beneficiary's initial and continued approval of such wording.

NON-SEVERABILITY. If any aspect of this Letter of Credit is ever declared unenforceable for any reason by any court or governmental body having jurisdiction, Lender's entire engagement under this Letter of Credit shall be deemed null and void ab initio, and both Lender and Beneficiary shall be restored to the position each would have occupied with all rights available as though this Letter of Credit had never occurred. This non-severability provision shall override all other provisions in this Letter of Credit, no matter where such provision appears within this Letter of Credit.

GOVERNING LAW. This Agreement will be governed by federal law applicable to Lender and, to the extent not preempted by federal law, the laws of the State of Michigan without regard to its conflicts of law provisions, and except to the extent such laws are inconsistent with the 1998 Revision of the International Standby Practices of the International Chamber of Commerce, ICC Publication No. 590 (the "ISP"). This Agreement has been accepted by Lender in the State of Michigan.

EXPIRATION. Lender hereby agrees with Beneficiary that drafts drawn under and in compliance with the terms of this Letter of Credit will be duly honored if presented to Lender on or before the Expiration Date unless otherwise provided for above.

SCOPE OF WORK

Based on your current program, HydroCorp™ will provide the following services to Georgetown Township. This project is a continued effort for an ongoing Cross-Connection Control Program and will provide Georgetown Township with the necessary data and information to maintain compliance with the Michigan Department of Environmental Quality (DEQ) Water Bureau Cross Connection Control Regulations. Once this project has been approved and accepted by the Township and HydroCorp, you may expect completion of the following elements within a three (3) year period. The components of the project include:

1. PROFESSIONAL SERVICE AGREEMENT

This agreement, made and entered into this (Date) by and between Georgetown Township organized and existing under the laws of the State of Michigan referred to as “Utility”, and HydroCorp™ a Michigan Corporation, referred to as “HydroCorp”.

WHEREAS, the Utility supplies potable water throughout its corporate boundary to property owners; and desires to enter into a professional services contract for cross connection control program inspection, reporting and management services.

WHEREAS, HydroCorp is experienced in and capable of supplying professional inspection of potable water distribution systems and cross connection control program management to the Utility and the Utility desires to engage HydroCorp to act as its independent contractor in its cross connection control program.

WHEREAS, the Utility has the authority under the laws of the State of Michigan and its local governing body to enter into this professional services contract.

NOW THEREFORE, in consideration of the mutual agreements herein contained, and subject to the terms and conditions herein stated, the parties agree as follows:

ARTICLE I. Purpose

During the term of this Agreement, the Utility agrees to engage HydroCorp as an independent contractor to inspect and document its findings on its potable water distribution system in public, commercial and industrial facilities within the community. Each party to this Agreement agrees that it will cooperate in good faith with the other, its agents, and subcontractors to facilitate the performance of the mutual obligations set forth in this Agreement. Both Parties to this Agreement recognize and acknowledge that the information presented to them is complete and accurate, yet due to the inaccessible nature of water piping or due to access constraints within water users’ facilities, complete and accurate data is not always available.

ARTICLE II. Scope of Services

The scope of services to be provided by HydroCorp under this Agreement will include the inspections/surveys, program administration, answering telephone call inquiries, scheduling of inspections, program compliance review, public education materials, preparation of quarterly management reports, and annual cross connection reports with respect to the facilities to the extent specifically set forth in this Article II (hereinafter the “Scope of Services”). Should other reports/services be included within the Scope of Services, the same shall be appended to this Agreement as Exhibit 1.

2.1 PROGRAM REVIEW/PROGRAM START UP MEETING. HydroCorp will conduct a Program Startup Meeting for the Cross-Connection Control/Backflow Prevention Program. Items for discussion/review will include the following:

- Review state & local regulations
- Review and/or provide assistance in establishing local Cross-Connection Control Ordinance
- Review/establish wording and timeliness for program notifications including:
 - Inspection Notice
 - Compliance Notice
 - Non-Compliance Notices 1-2, Penalty Notices
- Special Program Notices
- Electronic use of notices/program information
- Obtain updated facility listing, address information and existing program data from Utility
- Prioritize Inspections (Township buildings, schools, high hazard facilities, special circumstances.)

- Review/establish procedure for vacant facilities
- Establish facility inspection schedule
- Review/establish procedures and protocol for addressing specific hazards
- Review/establish high hazard, complex facilities and large industrial facility inspection/containment procedures including supplemental information/notification that may be requested from these types of facilities in order to achieve program compliance.
- Review/establish program reporting procedures including electronic reporting tools
- Review/establish educational and public awareness brochures

2.2 INSPECTIONS. HydroCorp will perform initial inspections, compliance inspections, and re-inspections at individual industrial, commercial, institutional facilities and miscellaneous water users within the utility served by the public water supply for cross-connections. Inspections will be conducted in accordance with Michigan Department of Environmental Quality Cross Connection Control Rules.

- *Initial Inspection* – the first time a HydroCorp representative inspects a facility for cross connections. Degree of Hazard will be assigned and/or verified during this facility visit. The Degree of Hazard will dictate future re-inspection frequency/schedule of facility, (facility will be either compliant or non-compliant after this inspection).
- *Compliance Inspection* – subsequent visit by a HydroCorp representative to a facility that was non-compliant during the *Initial Inspection* to verify that corrective action was completed and meets the program requirements.
- *Re-Inspection* – Revisit by a HydroCorp representative to a facility that was previously inspected. The re-inspection frequency/schedule is based on the degree of hazard assigned to the facility during the initial inspection (two, six or ten year re-inspection cycle).

2.3 INSPECTION SCHEDULE. HydroCorp shall determine and coordinate the inspection schedule. Inspection personnel will check in/out on a daily basis with the Utility's designated contact person. The initial check in will include a list of inspections scheduled. An exit interview will include a list of inspections completed.

2.4 PROGRAM DATA. HydroCorp will generate and document the required program data for the Facility Types listed in the Scope of Services using the HydroCorp Software Data Management Program. Program Data shall remain property of the Utility; however, the HydroCorp Software Data Management program shall remain the property of HydroCorp and can be purchased for an additional fee. Data services will include:

- Prioritize and schedule inspections
- Notify users of inspections, backflow device installation and testing requirements if applicable
- Monitor inspection compliance using the HydroCorp online software management program.
- Maintain program to comply with all MDEQ regulations

2.5 MANAGEMENT REPORTS. HydroCorp will submit comprehensive management reports in electronic, downloadable format on a quarterly & annual basis to the Utility. Reports to include the following information:

- Name, location and date of inspections
- Number of facilities inspected/surveyed
- Number of facilities compliant/non-compliant

2.6 REVIEW OF CROSS-CONNECTION CONTROL ORDINANCE. HydroCorp will review or assist in the development of a cross-connection control ordinance. Items for review include: Code adoption references, standard operational procedures, program notice documentation, reporting procedures and preference standards and penalties for non-compliance.

- 2.7 VACUUM BREAKERS.** HydroCorp will provide up to six (6) ASSE approved hose bibb vacuum breakers or anti-frost hose bibb vacuum breakers per facility as required, in order to place a facility into immediate compliance at the time of inspection if no other cross-connections are identified.
- 2.8 PUBLIC RELATIONS PROGRAM.** HydroCorp will assist the Utility with a community-wide public relations program including general awareness brochures and website cross connection control program content.
- 2.9 SUPPORT.** HydroCorp will provide ongoing support via phone, fax, text, website or email for the contract period.
- 2.10 FACILITY TYPES.** The facility types included in the program are as follows:
- Industrial
 - Institutional
 - Commercial
 - Miscellaneous Water users
- Complex Facilities.** Large industrial and high hazard complexes or facilities may require inspection/survey services outside the scope of this Agreement. An independent cross connection control survey (at the business owner's expense) may be required at these facilities and the results submitted to the Utility to help verify program compliance.
- 2.11 INSPECTION TERMS.** HydroCorp will perform a minimum of **405** total inspections over a **three (3) year** contract period. The total inspections include all initial inspections, compliance and re-inspections.
- 2.12 COMPLIANCE WITH DEPARTMENT OF ENVIRONMENTAL QUALITY (DEQ).** HydroCorp will assist in compliance with DEQ and Michigan Plumbing Code cross connection control program requirements for all commercial, industrial, institutional, residential, multifamily and public authority facilities.
- 2.13 POLICY MANUAL.** HydroCorp will review and/or develop a comprehensive cross connection control policy manual/plan and submit to the appropriate regulatory agency for approval on behalf of the Utility.
- 2.14 INVENTORY.** HydroCorp shall inventory all accessible (ground level) backflow prevention assemblies and devices. Documentation will include: location, size, make, model and serial number if applicable.
- 2.15 DATA MANAGEMENT.** HydroCorp shall provide data management and program notices for all inspection services throughout the contract period.
- 2.16 ANNUAL YEAR END REVIEW.** HydroCorp will conduct an on-site annual year-end review meeting to discuss overall program status and specific program recommendations.
- 2.17 CROSS CONNECTION CONTROL BROCHURES.** HydroCorp will provide approximately **1,000** cross-connection control educational brochures for the duration of the Agreement.
- 2.18 INSURANCE.** HydroCorp will provide all required copies of general liability, workers compensation and errors and omissions insurance naming the Utility as an additional insured if required.

ARTICLE III. Responsibilities of the Utility

- 3.1 UTILITY'S REPRESENTATIVE.** On or before the date services are to commence under this Agreement, the Utility shall designate an authorized representative ("Authorized Representative") to administer this Agreement.
- 3.2 COMPLIANCE WITH LAWS.** The Utility, with the technical and professional assistance of HydroCorp, shall comply with all applicable local, state, and federal laws, codes, ordinances, and regulations as they pertain to the water inspection and testing, and shall pay for any capital improvements needed to bring the water treatment and delivery system into compliance with the aforementioned laws.
- 3.3 NOTICE OF LITIGATION.** In the event that the Utility or HydroCorp has or receives notice of or undertakes the prosecution of any actions, claims, suits, administrative or undertakes the prosecution of any actions, claims, suits, administrative or arbitration proceedings, or investigations in connection with this Agreement, the party receiving such notice or undertaking of such prosecution shall give the other party timely notice of such proceedings and will inform the other party in advance of all hearings regarding such proceedings.
- 3.4 FACILITY LISTING.** The Utility must provide HydroCorp a complete list of facilities to be inspected, including facility name, type of service connection, address, contact person, and phone number, (if available). *Electronic file format such as Microsoft Excel, etc. is required. An additional one-time fee to manually enter facility listing will be charged at the rate of \$80.00 per hour. Incorrect facility addresses will be returned to the Utility contact and corrected address will be requested.*
- 3.5 LETTERHEAD/LOGO.** The Utility will provide HydroCorp with an electronic file copy of the utility logo or utility letterhead and all envelopes for the mailing of all official program correspondence only. (300 dpi in either .eps, or other high quality image format for printing.)

ARTICLE IV. Term, Compensation and Changes in Scope of Services

- 4.1 TERM AND TERMINATION TERM.** Services by HydroCorp under this Agreement shall commence on (Date) and end three (3) years from such date, unless this Agreement is renewed or terminated as provided herein. The terms of this Agreement shall be valid only upon the execution of this Agreement within ninety (90) days of its receipt. Failure to execute this Agreement within the ninety (90) day period shall deem the proposed terms void.
- 4.2 RENEWAL.** Upon the expiration of this Agreement the utility will have the option to renew this agreement for two (2) consecutive one (1) year period. Increases in fees for each additional term will be based on the consumer price index, but no more than 3% annually.
- 4.3 TERMINATION.** The Utility or HydroCorp may terminate this Agreement at any time and on any date in the initial and renewal terms of this Agreement, with or without any cause, by giving written notice of such intent to terminate to the other party at least thirty (30) days prior to the effective date of termination. Notice of the intent to terminate shall be given in writing by personal service, by an authorized agent, or by certified mail, return receipt requested. The Utility shall pay the balance of any outstanding accounts for work performed by HydroCorp.
- 4.4 BASE COMPENSATION.** From the Beginning thirty (30) days after execution of this Agreement, the Utility shall pay HydroCorp as compensation ("Base Compensation") for labor, equipment, material, supplies, and utilities provided and the services performed pursuant to this Agreement, the sum of **\$1,227.00** per month, **\$14,724.00** annually for a three (3) year contract period totaling **\$44,172.00**.

- 4.5 PAYMENT OF INVOICES.** Upon presentation of invoices by HydroCorp, all payments including base and other compensation shall be due and payable on the first day of each month (due date) after the month for which services have been rendered. All such payments shall be made no later than thirty (30) days after the due date. Failure to pay shall be deemed a default under this Agreement. For any payment to HydroCorp which is not made within thirty (30) calendar days after the due date, HydroCorp, shall receive interest at one and one-half (1½) percent per month on the unpaid balance.
- 4.6 CHANGES IN SCOPE OF SERVICES.** In the event that the Utility requests and HydroCorp consents to perform additional work or services involving the consulting, management, operation, maintenance, and repair of the Utility's water delivery system where such services or work exceeds or changes the Scope of Services contemplated under this Agreement, HydroCorp shall be provided additional compensation. Within thirty (30) calendar days from the date of notice of such additional work or services, the parties shall mutually agree upon an equitable sum for additional compensation. This amount shall be added to the monthly sum effective at the time of change in scope. Changes in the Scope of Service include, but are not limited to, requests for additional service by the Utility or additional costs incurred in meeting new or changed government regulations or reporting requirements.
- 4.7 CLIENT CONFIDENTIALITY.** Disclosure of all communications between HydroCorp and the Utility regarding business practices and other methods and forms of doing business is subject to the provisions of Michigan Public Records Law. HydroCorp agrees to make available for inspection and copying all records in its possession created, produced, collected or otherwise related to this Agreement to the same extent as if the records were maintained by the Utility. HydroCorp expressly acknowledges and agrees that its obligations concerning Public Records Law and compliance under this Agreement should not be limited by copyright, license, privacy and/or confidentiality except as authorized under the Public Records Law.
- 4.8 ACCESSIBILITY.** Backflow prevention device information will be completed in full only when the identifying information (i.e. data plate, brass tag, etc.) is accessible and visible from ground level or from a fixed platform/mezzanine.
- 4.9 CONFINED SPACES.** – HydroCorp personnel will not enter confined spaces.

ARTICLE V. Risk Management and General Provisions

- 5.1 INFORMATION.** Both Parties to this Agreement recognize and acknowledge that the information presented to them is complete to the best of their knowledge, yet due to the inaccessible nature of water piping or lack of access provided by property owner/water user, complete accurate data is not always available. Cross-connection control inspection and results are documented as of a specific date. The property owner and/or water user may make modifications to the potable water system after the inspection date that may impact compliance with the program.
- 5.2 INDEMNIFICATION.** HydroCorp agrees to and shall hold the Utility, its elected and appointed officers, and employees harmless from any liability for claims or damages for personal injury or property damage which is caused by or arises from the sole negligence of HydroCorp in the performance of its services under this Agreement. The Utility agrees to and shall hold HydroCorp, its officers, and employees harmless from any liability for claims or damages for personal injury or property damage which is caused by, or arises from, the sole negligence of the Utility. In the event that both HydroCorp and the Utility are found by a fact finder to be negligent and the negligence of both is a proximate cause of such claim for damage, then in such event each party shall be responsible for the portion of the liability equal to its comparative share of the total negligence. HydroCorp's liability to the Utility for any loss, damage, claim, or expense of any kind or nature caused directly or indirectly by the performance or non-performance of

obligations pursuant to this Agreement shall be limited to general money damages in an amount not exceed or within the limits of the insurance coverage provided hereunder. HydroCorp shall in no event be liable for indirect or consequential damages, including but not limited to, loss of profits, loss of revenue, or loss of facilities, based upon contract, negligence, or any other cause of action.

5.3 HYDROCORP INSURANCE. HydroCorp currently maintains the following insurance coverage's and limits:

	Occurrence	Aggregate
Comprehensive General Liability	\$1 Million	\$2 Million
Excess Umbrella Liability	\$5 Million	\$5 Million
Automobile Liability (Combined Single Limit)	\$1 Million	
Worker's Compensation/ Employer's Liability	\$1 Million	
Errors and Omissions	\$2 Million	\$2 Million

Within thirty (30) calendar days of the start of the project, HydroCorp shall furnish the Utility with satisfactory proof of such insurance, and each policy will require a 30-day notice of cancellation to be given to the Utility while this Agreement is in effect. The Utility shall be named as an additional insured according to its interest under the general liability policy during the term of this Agreement.

5.4 UTILITY INSURANCE. The Utility will maintain liability insurance on an all risk basis and including extended coverage for matters set forth in this Agreement. The Utility and HydroCorp agree that with respect to insurance coverage carried by either party in connection with the Facilities, such insurance will provide for the waiver by the insurance carrier of any subrogation rights against the Utility or against HydroCorp as the case may be.

5.5 RELATIONSHIP. The relationship of HydroCorp to the Utility is that of independent contractor and not one of employment. None of the employees or agents of HydroCorp shall be considered employees of the Utility. For the purposes of all state, local, and federal laws and regulations, the Utility shall exercise primary management, and operational and financial decision-making authority.

5.6 ENTIRE AGREEMENT AMENDMENTS. This Agreement contains the entire Agreement between the Utility and HydroCorp, and supersedes all prior or contemporaneous communications, representations, understandings, or agreements. This Agreement may be modified only by a written amendment signed by both parties.

5.7 HEADINGS, ATTACHMENTS, AND EXHIBITS. The heading contained in this Agreement is for reference only and shall not in any way affect the meaning or interpretation of this Agreement. The Attachments and Exhibits to this Agreement shall be construed as integral parts of this Agreement.

5.8 WAIVER. The failure on the part of either party to enforce its rights as to any provision of this Agreement shall not be construed as a waiver of its rights to enforce such provisions in the future.

5.9 ASSIGNMENT. This Agreement shall not be assigned by either party without the prior written consent of the other unless such assignment shall be to the affiliate or successor of either party.

5.10 FORCE MAJEURE. A party's performance under this Agreement shall be excused if, and to the extent that, the party is unable to perform because of actions due to causes beyond its reasonable control such as, but not limited to, Acts of God, the acts of civil or military authority, loss of potable water sources, water system contamination, floods, quarantine restrictions, riot, strikes, commercial impossibility, fires, explosions, bombing, and all such interruptions of business, casualties, events, or circumstances reasonably beyond the control of the party obligated to perform, whether such other causes are related or unrelated, similar or dissimilar, to any of the foregoing. In the event of any such force majeure, the

party unable to perform shall promptly notify the other party of the existence of such force majeure and shall be required to resume performance of its obligations under this Agreement upon the termination of the aforementioned force majeure.

5.11 AUTHORITY TO CONTRACT. Each party warrants and represents that it has authority to enter into this Agreement and to perform the obligations, including any payment obligations, under this Agreement.

5.12 GOVERNING LAW AND VENUE. This Agreement shall be governed by and construed in accordance with the laws of the State of Michigan, regardless of the fact that any of the parties hereto may be or may become a resident of a different state or jurisdiction. Any suit or action arising shall be filed in a court of competent jurisdiction within the State of Michigan, venue by the presiding County. The parties hereby consent to the personal jurisdiction of said court within the State of Michigan.

5.13 COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument.

5.14 NOTICES. All notices, requests, demands, payments and other communications which are required or may be given under this Agreement shall be in writing and shall be deemed to have been duly given if delivered personally or sent by nationally recognized overnight carrier, or mailed by certified mail, postage prepaid, return receipt requested, as follows:

- 2.7 VACUUM BREAKERS.** HydroCorp will provide up to six (6) ASSE approved hose bibb vacuum breakers or anti-frost hose bibb vacuum breakers per facility as required, up to 8,000, in order to place a facility into immediate compliance at the time of inspection if no other cross-connections are identified.
- 2.8 PUBLIC RELATIONS PROGRAM.** HydroCorp will assist the Utility with a community-wide public relations program including general awareness brochures and website cross connection control program content.
- 2.9 SUPPORT.** HydroCorp will provide ongoing support via phone, fax, text, website or email for the contract period.
- 2.10 FACILITY TYPES.** The facility types included in the program are as follows:
- Residential
 - Multi-Family Residential
- 2.11 INSPECTION TERMS.** HydroCorp will perform a minimum of **8,460** total inspections over a **three (3) year** contract period. The total inspections include all initial inspections, compliance and re-inspections.
- 2.12 COMPLIANCE WITH DEPARTMENT OF ENVIRONMENTAL QUALITY (DEQ).** HydroCorp will assist in compliance with DEQ and Michigan Residential Code cross connection control program requirements for all residential and multifamily facilities.
- 2.13 POLICY MANUAL.** HydroCorp will review and/or develop a comprehensive cross connection control policy manual/plan and submit to the appropriate regulatory agency for approval on behalf of the Utility.
- 2.14 INVENTORY.** HydroCorp shall inventory all accessible (ground level) backflow prevention assemblies and devices. Documentation will include: location, size, make, model and serial number if applicable.
- 2.15 DATA MANAGEMENT.** HydroCorp shall provide data management and program notices for all inspection services throughout the contract period.
- 2.16 ANNUAL YEAR END REVIEW.** HydroCorp will conduct an on-site annual year-end review meeting to discuss overall program status and specific program recommendations.
- 2.17 CROSS CONNECTION CONTROL BROCHURES.** HydroCorp will provide approximately **32,000** cross-connection control educational brochures for the duration of the Agreement.
- 2.18 INSURANCE.** HydroCorp will provide all required copies of general liability, workers compensation and errors and omissions insurance naming the Utility as an additional insured if required.

ARTICLE III. Responsibilities of the Utility

- 3.1 UTILITY'S REPRESENTATIVE.** On or before the date services are to commence under this Agreement, the Utility shall designate an authorized representative ("Authorized Representative") to administer this Agreement.
- 3.2 COMPLIANCE WITH LAWS.** The Utility, with the technical and professional assistance of HydroCorp, shall comply with all applicable local, state, and federal laws, codes, ordinances, and regulations as they pertain to the water inspection and testing, and shall pay for any capital improvements needed to bring the water treatment and delivery system into compliance with the aforementioned laws.
- 3.3 NOTICE OF LITIGATION.** In the event that the Utility or HydroCorp has or receives notice of or undertakes the prosecution of any actions, claims, suits, administrative or undertakes the prosecution of any actions, claims, suits, administrative or arbitration proceedings, or investigations in connection with this Agreement, the party receiving such notice or undertaking of such prosecution shall give the other party timely notice of such proceedings and will inform the other party in advance of all hearings regarding such proceedings.
- 3.4 FACILITY LISTING.** The Utility must provide HydroCorp a complete list of facilities to be inspected, including facility name, type of service connection, address, contact person, and phone number, (if available). *Electronic file format such as Microsoft Excel, etc. is required. An additional one-time fee to manually enter facility listing will be charged at the rate of \$80.00 per hour. Incorrect facility addresses will be returned to the Utility contact and corrected address will be requested.*
- 3.5 LETTERHEAD/LOGO.** The Utility will provide HydroCorp with an electronic file copy of the utility logo or utility letterhead and all envelopes for the mailing of all official program correspondence only. (300 dpi in either .eps, or other high quality image format for printing.)

ARTICLE IV. Term, Compensation and Changes in Scope of Services

- 4.1 TERM AND TERMINATION TERM.** Services by HydroCorp under this Agreement shall commence on (Date) and end three (3) years from such date, unless this Agreement is renewed or terminated as provided herein. The terms of this Agreement shall be valid only upon the execution of this Agreement within ninety (90) days of its receipt. Failure to execute this Agreement within the ninety (90) day period shall deem the proposed terms void.
- 4.2 RENEWAL.** Upon the expiration of this Agreement the utility will have the option to renew this agreement for two (2) consecutive one (1) year period. Increases in fees for each additional term will be based on the consumer price index, but no more than 3% annually.
- 4.3 TERMINATION.** The Utility or HydroCorp may terminate this Agreement at any time and on any date in the initial and renewal terms of this Agreement, with or without any cause, by giving written notice of such intent to terminate to the other party at least thirty (30) days prior to the effective date of termination. Notice of the intent to terminate shall be given in writing by personal service, by an authorized agent, or by certified mail, return receipt requested. The Utility shall pay the balance of any outstanding accounts for work performed by HydroCorp.
- 4.4 BASE COMPENSATION.** From the Beginning thirty (30) days after execution of this Agreement, the Utility shall pay HydroCorp as compensation ("Base Compensation") for labor, equipment, material, supplies, and utilities provided and the services performed pursuant to this Agreement, the sum of **\$10,400.00** per month, **\$124,800.00** annually for a three (3) year contract period totaling **\$374,400.00**.

- 4.5 PAYMENT OF INVOICES.** Upon presentation of invoices by HydroCorp, all payments including base and other compensation shall be due and payable on the first day of each month (due date) after the month for which services have been rendered. All such payments shall be made no later than thirty (30) days after the due date. Failure to pay shall be deemed a default under this Agreement. For any payment to HydroCorp which is not made within thirty (30) calendar days after the due date, HydroCorp, shall receive interest at one and one-half (1½) percent per month on the unpaid balance.
- 4.6 CHANGES IN SCOPE OF SERVICES.** In the event that the Utility requests and HydroCorp consents to perform additional work or services involving the consulting, management, operation, maintenance, and repair of the Utility's water delivery system where such services or work exceeds or changes the Scope of Services contemplated under this Agreement, HydroCorp shall be provided additional compensation. Within thirty (30) calendar days from the date of notice of such additional work or services, the parties shall mutually agree upon an equitable sum for additional compensation. This amount shall be added to the monthly sum effective at the time of change in scope. Changes in the Scope of Service include, but are not limited to, requests for additional service by the Utility or additional costs incurred in meeting new or changed government regulations or reporting requirements.
- 4.7 CLIENT CONFIDENTIALITY.** Disclosure of all communications between HydroCorp and the Utility regarding business practices and other methods and forms of doing business is subject to the provisions of Michigan Public Records Law. HydroCorp agrees to make available for inspection and copying all records in its possession created, produced, collected or otherwise related to this Agreement to the same extent as if the records were maintained by the Utility. HydroCorp expressly acknowledges and agrees that its obligations concerning Public Records Law and compliance under this Agreement should not be limited by copyright, license, privacy and/or confidentiality except as authorized under the Public Records Law.
- 4.8 ACCESSIBILITY.** Backflow prevention device information will be completed in full only when the identifying information (i.e. data plate, brass tag, etc.) is accessible and visible from ground level or from a fixed platform/mezzanine.
- 4.9 CONFINED SPACES.** – HydroCorp personnel will not enter confined spaces.

ARTICLE V. Risk Management and General Provisions

- 5.1 INFORMATION.** Both Parties to this Agreement recognize and acknowledge that the information presented to them is complete to the best of their knowledge, yet due to the inaccessible nature of water piping or lack of access provided by property owner/water user, complete accurate data is not always available. Cross-connection control inspection and results are documented as of a specific date. The property owner and/or water user may make modifications to the potable water system after the inspection date that may impact compliance with the program.
- 5.2 INDEMNIFICATION.** HydroCorp agrees to and shall hold the Utility, its elected and appointed officers, and employees harmless from any liability for claims or damages for personal injury or property damage which is caused by or arises from the sole negligence of HydroCorp in the performance of its services under this Agreement. The Utility agrees to and shall hold HydroCorp, its officers, and employees harmless from any liability for claims or damages for personal injury or property damage which is caused by, or arises from, the sole negligence of the Utility. In the event that both HydroCorp and the Utility are found by a fact finder to be negligent and the negligence of both is a proximate cause of such claim for damage, then in such event each party shall be responsible for the portion of the liability equal to its comparative share of the total negligence. HydroCorp's liability to the Utility for any loss, damage, claim, or expense of any kind or nature caused directly or indirectly by the performance or non-performance of

obligations pursuant to this Agreement shall be limited to general money damages in an amount not exceed or within the limits of the insurance coverage provided hereunder. HydroCorp shall in no event be liable for indirect or consequential damages, including but not limited to, loss of profits, loss of revenue, or loss of facilities, based upon contract, negligence, or any other cause of action.

5.3 HYDROCORP INSURANCE. HydroCorp currently maintains the following insurance coverage's and limits:

	Occurrence	Aggregate
Comprehensive General Liability	\$1 Million	\$2 Million
Excess Umbrella Liability	\$5 Million	\$5 Million
Automobile Liability (Combined Single Limit)	\$1 Million	
Worker's Compensation/ Employer's Liability	\$1 Million	
Errors and Omissions	\$2 Million	\$2 Million

Within thirty (30) calendar days of the start of the project, HydroCorp shall furnish the Utility with satisfactory proof of such insurance, and each policy will require a 30-day notice of cancellation to be given to the Utility while this Agreement is in effect. The Utility shall be named as an additional insured according to its interest under the general liability policy during the term of this Agreement.

5.4 UTILITY INSURANCE. The Utility will maintain liability insurance on an all risk basis and including extended coverage for matters set forth in this Agreement. The Utility and HydroCorp agree that with respect to insurance coverage carried by either party in connection with the Facilities, such insurance will provide for the waiver by the insurance carrier of any subrogation rights against the Utility or against HydroCorp as the case may be.

5.5 RELATIONSHIP. The relationship of HydroCorp to the Utility is that of independent contractor and not one of employment. None of the employees or agents of HydroCorp shall be considered employees of the Utility. For the purposes of all state, local, and federal laws and regulations, the Utility shall exercise primary management, and operational and financial decision-making authority.

5.6 ENTIRE AGREEMENT AMENDMENTS. This Agreement contains the entire Agreement between the Utility and HydroCorp, and supersedes all prior or contemporaneous communications, representations, understandings, or agreements. This Agreement may be modified only by a written amendment signed by both parties.

5.7 HEADINGS, ATTACHMENTS, AND EXHIBITS. The heading contained in this Agreement is for reference only and shall not in any way affect the meaning or interpretation of this Agreement. The Attachments and Exhibits to this Agreement shall be construed as integral parts of this Agreement.

5.8 WAIVER. The failure on the part of either party to enforce its rights as to any provision of this Agreement shall not be construed as a waiver of its rights to enforce such provisions in the future.

5.9 ASSIGNMENT. This Agreement shall not be assigned by either party without the prior written consent of the other unless such assignment shall be to the affiliate or successor of either party.

5.10 FORCE MAJEURE. A party's performance under this Agreement shall be excused if, and to the extent that, the party is unable to perform because of actions due to causes beyond its reasonable control such as, but not limited to, Acts of God, the acts of civil or military authority, loss of potable water sources, water system contamination, floods, quarantine restrictions, riot, strikes, commercial impossibility, fires, explosions, bombing, and all such interruptions of business, casualties, events, or circumstances reasonably beyond the control of the party obligated to perform, whether such other causes are related or unrelated, similar or dissimilar, to any of the foregoing. In the event of any such force majeure, the

party unable to perform shall promptly notify the other party of the existence of such force majeure and shall be required to resume performance of its obligations under this Agreement upon the termination of the aforementioned force majeure.

5.11 AUTHORITY TO CONTRACT. Each party warrants and represents that it has authority to enter into this Agreement and to perform the obligations, including any payment obligations, under this Agreement.

5.12 GOVERNING LAW AND VENUE. This Agreement shall be governed by and construed in accordance with the laws of the State of Michigan, regardless of the fact that any of the parties hereto may be or may become a resident of a different state or jurisdiction. Any suit or action arising shall be filed in a court of competent jurisdiction within the State of Michigan, venue by the presiding County. The parties hereby consent to the personal jurisdiction of said court within the State of Michigan.

5.13 COUNTERPARTS. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument.

5.14 NOTICES. All notices, requests, demands, payments and other communications which are required or may be given under this Agreement shall be in writing and shall be deemed to have been duly given if delivered personally or sent by nationally recognized overnight carrier, or mailed by certified mail, postage prepaid, return receipt requested, as follows:

I have a few issues I would like to bring to your attention.

First, I take issue with your synopsis of your meetings. The last time I spoke here, as did several others, we all spoke in opposition to your mandate to hook up to the sewer system for those of us in the 'so called' watershed danger zone. None of that was put in your synopsis of the meeting. All that was said was, "Public comments were made". I think that opposition opinions should have been noted. When I was on the Owosso City Council, we had our secretary present who wrote everything down, the names of those that spoke, a summation of their comments, everything, and then put it in the synopsis of the meeting. Why don't you do that? Who is doing that here? Who is the secretary here?

Secondly, the only mention of the actions of this council in our local paper (The Advance) was about the survey to be taken on the Veterans park property. Nothing was said about the opposition to the sewer issue, or even the demolition of the 'old' senior center (although, this was mentioned one week later). Obviously, I realize you don't have control over what is put in the paper..but where is the local reporter? I would like to talk to him or her. We always had a special table for the media, why don't you?

~~Finally~~, a comment was made at the last meeting.. "Georgetown Township has the lowest tax base of any in the greater Grand Rapids area". Let me tell you, this is not because of your actions, or that of your township administrator. Look around here, look at the growth here, look at your growing tax base here; money is pouring into this township from all the new buildings. Quit patting yourself on your back and start spending our money with more fiscal responsibility...thank you.

Georgetown Township Veterans Memorial

“For Those I love I Will Sacrifice”

Melinda Whitten, Principle Landscape Architect, M.C. Smith Associates, Inc. asked if I would collaborate with her on this project. Her original concept was that of the “rose window” found in cathedrals and churches. Melinda wanted a fitting focal point to honor the Veterans of Georgetown Township from all wars and conflicts and all branches of the military.

My research for this project was typical in many respects. I reviewed images, read history considered the site conditions, and considered the function of the memorial. I was humbled as I began bring into focus the scope of the sacrifice the Veterans made. Veterans, their families, and friends have given so much to allow all of us to enjoy the lives we have.

I chose that most abundant metal on earth, aluminum, as a vehicle to honor what I perceive to be a rare human trait, selflessness. In my research I saw an image of a wounded marine being airlifted from a combat zone with a barely visible tattoo that read; “For those I love I sacrifice.” In a, “me first”, world there are those who have in their personality this quiet, humble, confident and powerful trait that allows them to put others first.

The Romans used arches employing heavy shaped stones for many of their building projects. The stones are held in position by the force of gravity and the compression of each stone on the next. This system only works when each part holds its own place. The arch has long since been used in building because of its strength, beauty, simplicity, and grace. The design of this segmental arch mimics the stone arches used centuries ago. Each Branch of the service has its own place and function. Each is independent and dependent on the others to offer us a “dome” of protection.

As in a stone arch, the abutment was fundamental. In this arch, the two abutments / foundations are the POW / MIA service members on the right hand side and the fallen, depicted by the Battlefield Cross on the left. They are both literally and figuratively the supports for the structure.

Honoring all service members from all wars and conflicts using a “rose window” concept was a challenge. Knowing there is a brotherhood and comradery that is only known by those who served and the extreme loyalty to their respective branches of service I chose the Emblems / Symbol of each branch as the focal point of each panel. During the research phase, the DoD informed me that I would need to gain the approval and the appropriate artwork for each from the Pentagon. What you see was specifically approved for the Georgetown Township Veterans Memorial. The emblems appear in the order of their birthdates. Each is held in place by tabs on the back that form the five points of a star. The size reflects the size of the large sixteen-inch guns on the Iowa class battleships from WWII. Each panel appears to float in its frame while each section is seamlessly connected to the others, yet visually independent.

Please join me in honoring all of the Veterans who served, were captured, wounded, or given their lives to offer us the freedom we enjoy.
