**Subject:** Proposal for Party with Bounce House

Hello,

I spoke with a staff member this past Friday. She directed me to your email.

I would like to propose to plan an event and rent out the pavilion at Maplewood Park. This would be a community event in the case that we would like to have a bounce house there as per the conversation I had today with one of your colleagues. We are able to take out insurance and liability and add the municipality.

We have done events like this in the past with bounce houses and take out whatever the city requires for insurance and liability. We are thinking we would like to do this in the middle of August as a back to school supply fundraiser for the community. Most likely a week day evening.

The event will be focused around raising school supplies for West Michigan schools in need.

Thank you for your consideration in advance and please let me know if you need a formal proposal or if this is sufficient.

Thank you and have a great day!
