#210126-02 – Resolution to Permanently Divide, Rearrange or Consolidate Elections Precincts

The following was noted as the rationale that was used to draw the new precinct boundary lines:

- a. Precinct lines follow the school district lines. All proposed precincts have only one school district, eliminating confusion for election inspectors and voters when distributing ballots.
- b. The number of registered voters was balanced the best way possible and does not exceed the maximum number of registered voters allowed per precinct (2,999 as per Election Law). The numbers were balanced as closely as possible.
- c. Polling locations for the numbered precincts remain the same.
