

Storm Water Drain Maintenance Agreement Procedures

If the Ottawa County Water Resources Commissioner's Office has determined that a Storm Water Drain Maintenance Agreement is required for your property or development, please complete the following procedure. Please note that to obtain an approved building permit from Georgetown Township to begin construction, an approved Storm Water Drain Permit must be issued by the Ottawa County Water Resources Commissioner's Office. In addition, the following procedure must be completed before the Ottawa County Storm Water Drain permit is issued.

1. Print the attached form.
2. Complete the form and sign it in the presence of a notary public. Have the notary also sign the document.
3. Attach a copy of the storm water drain plan and label it "Attachment A".
4. Bring the Agreement and attachment to the Township Office at 1515 Baldwin St., Jenison, Michigan to obtain the notarized signature of a Georgetown Township Public Official. (Call 457-2340 for an appointment.)
5. After the form has been completed and signed by the property owner and Township Public Official, bring the form and a check with the appropriate fee to the Ottawa County Water Resources Commissioner's Office. Their phone number is 616-994-4530 and their address is 12220 Fillmore, Room 141, West Olive, MI 49460.
6. The check should be made out to the "Ottawa County Register of Deeds" and the total fee is \$30 for the entire document.
7. The Ottawa County Water Resources Commissioner's Office will not grant final approval for a Storm Water Drain Permit until these steps have been completed.
8. The Ottawa County Water Resources Commissioner's Office will record the agreement.
9. If you have questions regarding this agreement or the procedures, call the Georgetown Township Building and Zoning Department at 616-457-2690.
